

Hawa Concepta 50 – Sliding Door Hardware – Set for 1 Door – 2301-2760mm

Variant code: 27651

Hawa Concepta 50: The Ultimate Pivot-Sliding Door System

Seamless Function, Perfect Form

Reimagine your living and working spaces with the **Hawa Concepta 50** hardware set. This premium, meticulously engineered system is designed for **pivoting and lateral sliding** of a single, substantial wooden door, making it the ideal solution for creating versatile, multi-functional rooms. Achieve a **flush-fitting design** that allows doors to disappear discreetly into a cabinet body or wall recess, transforming chaos into clean, unobstructed spaces.

Engineered for Excellence

The Concepta 50 set is tailored for **tall doors** with a height range of **2301 – 2760mm**, offering exceptional design freedom.³ Its robust construction and innovative features ensure effortless, quiet, and reliable operation for years to come.

Key Technical Specifications

- **Door Application:** Single, pivoting, and lateral sliding door (Pocket Door System).
- **Door Height Range:** 2301 – 2760mm (7'6" – 9'0" approx.).
- **Maximum Door Weight:** 50kg (110 lbs).
- **Door Width Range:** 300 – 900mm (Minimum to Maximum).
- **Door Thickness:** 19 – 50mm
- **Operation:** Effortless movement with a **soft-closing mechanism** and **integrated soft-close hinges** for cushioned final positioning.
- **Technology:** Features **unique scissor technology** to easily accommodate large

and heavy door panels.

- **Flexibility:** Universal design for both **left and right-hand side applications**.
- **Installation Advantage:** No disruptive **bottom guide channel** is required, ensuring an obstruction-free floor space.

Design Versatility for Modern Spaces

The Hawa Concepta 50 system is the secret weapon for interior designers and architects seeking to maximise space and flexibility.

- **Conceal & Reveal:** Effortlessly hide **home offices** in bedrooms, tuck away **kitchen appliances** and pantries, or conceal **laundry machines** in bathrooms.
- **Walk-in Wardrobes:** Create seamless, floor-to-ceiling access to walk-in cabinets.
- **Tidy Impression:** When closed, the flush-fitting door maintains a sleek, minimalist aesthetic, instantly tidying the entire space.²⁰

Installation and Comfort

Installation is designed to be **simple and straightforward**. All necessary adjustments can be carried out from the **front**, eliminating the need for awkward access panels. The door is automatically drawn into its pocket, and **well-thought-out shock absorbers** in the end positions guarantee a high degree of movement comfort. The comprehensive kit includes all essential fixtures, such as the upright profile, two-wheeled running gear, unique scissor action, concealed hinges with dampers, and the soft closing systems.

Ready to transform your space?

The **Hawa Concepta 50** system delivers the ultimate in design, function, and convenience, making it the perfect choice for high-quality, long-lasting furniture and interior solutions.
