Hawa Concepta III V2 15 Push/Pull Basic Set Inc Upright Profile - Right Hand

Variant code: 53521

The **Hawa Concepta III V2 15 Push/Pull Basic Set** is a furniture hardware system designed for the **pivoting and lateral pocketing of wooden doors**. This **right-hand version** is suitable for doors weighing from **4–15kg** and supports furniture constructions with or without handles.

Designed for wooden doors measuring **350–700mm wide**, **600–1400mm high** and **18–26mm thick**, the Concepta III V2 15 allows the door to pivot before sliding sideways into a furniture pocket. This configuration supports a **uniform, flush-front appearance** with an even joint pattern while keeping the operating technology concealed.

The system incorporates a **high degree of pre-assembly** together with intuitive adjustment to simplify installation. Ergonomic movement assistance supports a **smooth and consistent operating action**, while its suitability for constructions **with or without handles** provides flexibility across Push and Pull furniture concepts.

Product Features

- **Right-hand basic set** for the Concepta III V2 15 system
- Designed for **pivoting and lateral pocketing of wooden doors**
- Suitable for door weights of **4–15kg**
- Suitable for door widths of **350–700mm**

easier installation
- Ergonomic movement assistance supports **smooth door operation**
- Operating technology remains **concealed from view**

Product Benefits

- **Pivot-and-pocket operation allows the wooden door to be moved neatly to the side when opened**
- **Suitable for furniture with or without handles, providing flexibility for Push and Pull design concepts**
- **High level of pre-assembly and intuitive adjustment help simplify installation and setup**
- Supports a clean and consistent **flush-front furniture appearance**
- Concealed technology helps maintain a **minimal and uncluttered cabinet design**
- Ergonomic movement assistance provides a **smooth and easy operating action**
- Accommodates wooden doors across a practical size range, including heights from **600-1400mm**

Technical Characteristics

- **Product Type:** Pivot & Pocket Door Basic Set Including Upright Profile
- **System:** Concepta III V2 15
- **Configuration:** Push/Pull
- **Handing:** Right Hand
- **Door Type:** Wooden Door
- **Door Weight:** 4-15kg
- **Door Width:** 350-700mm
- **Door Height:** 600-1400mm
- **Door Thickness:** 18-26mm
- **Furniture Configuration:** With or Without Handle
- **Door Movement:** Pivoting & Lateral Pocketing

Applications

The **Hawa Concepta III V2 15 Push/Pull Basic Set Including Upright Profile - Right Hand** is designed for furniture applications where a **wooden door pivots and slides laterally into a pocket**. Suitable for doors weighing **4-15kg**, it accommodates both **handled and handleless furniture constructions** and is particularly suited to cabinetry requiring a **uniform flush front, even joint appearance and concealed operating technology**.
