Hawa Concepta III V2 15 Push/Pull Basic Set Inc Upright Profile - Left Hand

Variant code: 53520

The **Hawa Concepta III V2 15 Push/Pull Basic Set** is a furniture hardware system designed for the **pivoting and lateral pocketing of wooden doors**. This **left-hand version** is designed for doors weighing from **4-15kg** and supports both handleless and handled cabinet constructions.

Designed for wooden doors measuring **350-700mm wide**, **600-1400mm high** and **18-26mm thick**, the Concepta III V2 15 allows doors to pivot before sliding sideways into a furniture pocket. This enables a **uniform, flush front design** with an even joint appearance while keeping the operating technology concealed.

The system features a **high degree of pre-assembly** to simplify installation and incorporates intuitive adjustment. Ergonomic movement assistance is designed to provide a **smooth and consistent operating action**, while compatibility with both **Push and Pull configurations** provides flexibility for cabinetry designed with or without handles.

Product Features

- **Left-hand basic set** for the Hawa Concepta III V2 15 system
- Designed for **pivoting and laterally pocketing wooden doors**
- Suitable for doors weighing **4-15kg**
- Suitable for door widths of **350-700mm**
- Suitable for door heights of **600-1400mm**
- Suitable for door thicknesses of **18-26mm**
- Designed for **wooden doors**
- Supports cabinetry configurations **with or without handles**
- Allows a **uniform, flush front design** with an even joint appearance
- High degree of pre-assembly supports **simplified installation**
- Features **intuitive adjustment**
- Ergonomic movement assistance

provides a **smooth and consistent operating action**
- Designed so the operating technology remains **concealed from view**

Product Benefits

- **Pivot-and-pocket operation allows the door to be moved neatly to the side of the cabinet when opened**
- **Supports both Push and Pull concepts, providing flexibility for handleless or handled furniture designs**
- **High level of pre-assembly and intuitive adjustment help simplify installation and setup**
- Supports a clean **flush-front furniture appearance** with consistent joint lines
- Concealed operating technology helps maintain a **minimalist cabinet design**
- Ergonomic movement assistance supports **smooth, easy and consistent door movement**
- Accommodates a useful range of wooden door sizes from **600-1400mm high**

Technical Characteristics

- **Product Type:** Pivot & Pocket Door Basic Set Including Upright Profile
- **System:** Concepta III V2 15
- **Configuration:** Push/Pull
- **Handing:** Left Hand
- **Door Type:** Wooden Door
- **Door Weight:** 4-15kg
- **Door Width:** 350-700mm
- **Door Height:** 600-1400mm
- **Door Thickness:** 18-26mm
- **Furniture Configuration:** With or Without Handle
- **Door Movement:** Pivoting & Lateral Pocketing

Applications

The **Hawa Concepta III V2 15 Push/Pull Basic Set Including Upright Profile - Left Hand** is designed for furniture applications requiring a **wooden door to pivot and slide laterally into a pocket**. Suitable for doors weighing **4-15kg**, it supports both **handled and handleless cabinet designs** and is particularly suited to furniture concepts where a clean, flush front and concealed operating technology are required.
