Hawa Folding Concepta III V2 20 Pull Set - Left Hand

Variant code: 53442

The **Hawa Folding Concepta III V2 20 Pull** is a furniture hardware system designed for **pivoting, folding and laterally sliding wooden doors**. This version is configured for a **left-hand installation** and accommodates individual door weights from **6-20kg**.

The **Pull version** is specifically designed for **cabinet doors fitted with a handle**, providing straightforward manual operation. The pocket system allows compatible wooden doors to **pivot, fold and slide laterally**, providing comfortable and unobstructed access to the cabinet contents.

The **V2 20 Pull** version is suitable for wooden doors measuring **350-750mm wide**, **1200-2200mm high** and **18-26mm thick**. The system supports a **flush-front design with uniform joints**, while the operating technology is integrated discreetly within the furniture installation.

Product Features

- **Pivoting, folding and lateral slide-in furniture door system**
- Designed for **wooden doors**
- **Left-hand configuration**
- **Pull operation** designed for cabinet doors fitted with a handle
- Suitable for door weights of **6-20kg**
- Suitable for door widths of **350-750mm**
- Suitable for door heights of **1200-2200mm**
- Suitable for door thicknesses of **18-26mm**
- Supports a **flush-front furniture design**
- Designed to provide a **uniform joint pattern**
- Operating technology is **integrated discreetly within the furniture system**

Product Benefits

- **Pull operation is purpose-designed for furniture doors equipped with a handle**
- **Pivoting, folding and lateral sliding**

movement provides comfortable and unobstructed access to cabinet contents
- **Accommodates wooden doors weighing 6-20kg across a broad range of furniture dimensions**
- Flush-front configuration supports a **clean and consistent furniture appearance**
- Allows compatible doors to move laterally away from the cabinet opening for **convenient access**
- Left-hand configuration enables selection according to the required **cabinet arrangement**

Technical Characteristics

- **Product Type:** Folding Door System Set
- **System:** Folding Concepta III V2 20 Pull
- **Operation:** Pull
- **Handing:** Left Hand
- **Door Type:** Wooden Doors
- **Door Weight:** 6-20kg
- **Door Width:** 350-750mm
- **Door Height:** 1200-2200mm
- **Door Thickness:** 18-26mm
- **Door Movement:** Pivot, Fold & Slide Laterally
- **Front Design:** Flush Front with Uniform Joint Pattern
- **Application:** Furniture & Cabinet Doors with Handles

Applications

The **Hawa Folding Concepta III V2 20 Pull Set - Left Hand** is designed for furniture and cabinetry using **handled wooden folding and slide-in doors**. Suitable for doors weighing **6-20kg** and measuring **350-750mm wide, 1200-2200mm high and 18-26mm thick**, the system is suited to cabinet installations where doors need to **pivot, fold and slide laterally** to provide unobstructed access to the cabinet interior.
