Hawa Folding Concepta III V2 25 Pull Set - Left Hand

Variant code: 53444

The **Hawa Folding Concepta III V2 25 Pull** is a furniture hardware system designed for **pivoting, folding and laterally sliding wooden doors**. This version is configured for a **left-hand installation** and is suitable for individual door weights from **10-25kg**.

The **Pull version** is designed for **cabinet constructions fitted with a handle**, providing convenient manual operation. The pocket system enables compatible wooden doors to **pivot, fold and slide laterally**, providing comfortable and unobstructed access to the cabinet contents.

The **V2 25 Pull** version accommodates wooden doors measuring **350-750mm wide**, **1900-2700mm high** and **18-26mm thick**. Its **flush-front design with a uniform joint pattern** supports a clean furniture appearance, while the operating technology is integrated discreetly within the installation.

Product Features

- **Pivoting, folding and lateral slide-in furniture door system**
- Designed for **wooden doors**
- **Left-hand configuration**
- **Pull operation** for cabinet constructions fitted with a handle
- Suitable for door weights of **10-25kg**
- Suitable for door widths of **350-750mm**
- Suitable for door heights of **1900-2700mm**
- Suitable for door thicknesses of **18-26mm**
- Supports a **flush-front furniture design**
- Designed to provide a **uniform joint pattern**
- Operating technology is **integrated discreetly within the furniture construction**

Product Benefits

- **Pull operation is purpose-designed for furniture doors equipped with a handle**
