Hawa Folding Concepta III V2 25 Push Set - Left Hand

Variant code: 53440

The **Hawa Folding Concepta III V2 25 Push** is a furniture hardware system designed for **pivoting, folding and laterally sliding wooden doors**. This version is configured for a **left-hand installation** and is suitable for doors weighing from **10-25kg**.

Featuring an integrated **Push-to-Open function**, the system is suitable for contemporary **handle-free cabinet designs**. The pocket-system concept allows compatible wooden doors to pivot, fold and slide laterally, providing comfortable and unobstructed access to the cabinet contents. :chatgpt-content-reference{index="1"}

The **V2 25 Push** version accommodates wooden doors measuring **350-750mm wide**, **1900-2700mm high** and **18-26mm thick**. The system also supports a **flush-front design with a uniform joint pattern** for a clean furniture appearance. :chatgpt-content-reference{index="2"}

Product Features

- **Pivoting, folding and lateral slide-in furniture door system**
- Designed for **wooden doors**
- **Left-hand configuration**
- Integrated **Push-to-Open function**
- Suitable for **handle-free cabinet constructions**
