

Hawa Folding Concepta III V2 – Cabinet Track Set – Composed Cabinet – Left Hand

Variant code: 53448

The **Hawa Folding Concepta III V2 Cabinet Track Set** is a dedicated accessory for compatible **Folding Concepta III V2** furniture door systems. This version is designed for a **left-hand composed cabinet configuration** and provides the corresponding track components required as part of the complete system installation.

Manufactured from **anodised aluminium**, the track set forms part of the modular hardware arrangement used to create Folding Concepta III V2 furniture installations. The overall system allows compatible wooden doors to **pivot, fold and slide laterally**, moving the doors away from the cabinet opening to provide convenient access to the cabinet interior.

The track set is supplied as a **system accessory** rather than a complete Folding Concepta III V2 door system. Its dedicated **left-hand configuration** allows it to be selected as part of a composed cabinet installation using the appropriate compatible system components.

Product Features

- **Dedicated cabinet track set** for Folding Concepta III V2 systems
- Designed for a **composed cabinet configuration**
- **Left-hand installation**
- Manufactured from **aluminium**
- Features an **anodised finish**
- Forms part of the modular **Folding Concepta III V2** furniture system
- Supports a system designed for **pivoting, folding and lateral sliding door movement**
- Designed for use with the appropriate compatible **Folding Concepta III V2 system components**

Product Benefits

- **Purpose-designed for left-hand composed cabinet installations within the Folding Concepta III V2 system**
- **Anodised aluminium construction provides the specified material and finish for the compatible track system**
- **Modular design allows the track set to be combined with the appropriate Folding Concepta III V2 components for the required installation**
- **Supports the system's space-efficient folding and lateral door movement**
- **Left-hand configuration enables the track arrangement to match the required cabinet orientation**
- **Dedicated system compatibility supports a coordinated furniture and cabinetry installation**

Technical Characteristics

- **Product Type:** Cabinet Track Set
- **System:** Folding Concepta III V2
- **Cabinet Configuration:** Composed Cabinet
- **Handing:** Left Hand
- **Material:** Aluminium
- **Finish:** Anodised
- **Product Category:** System Accessory
- **Application:** Furniture & Cabinet Door Systems
- **System Function:** Supports Pivoting, Folding & Lateral Door Movement
- **Installation Type:** Modular System Component

Applications

The **Hawa Folding Concepta III V2 Cabinet Track Set – Composed Cabinet – Left Hand** is designed for compatible furniture and cabinetry installations using the **Folding Concepta III V2 system**. It is specifically configured for a **left-hand composed cabinet arrangement** and is used with the appropriate additional system components to create furniture doors capable of **pivoting, folding and sliding laterally** away from the cabinet opening.
