

Hawa Folding Concepta III V2 – Cabinet Track Set – Composed Cabinet – Right Hand

Variant code: 53449

The **Hawa Folding Concepta III V2 Cabinet Track Set** is a dedicated track component for compatible **Hawa Folding Concepta III V2** furniture door installations. This version is specifically designed for a **right-hand composed cabinet configuration** and forms part of the modular hardware required to create the complete system.

Manufactured from **aluminium with an anodised finish**, the track set is designed for use within the Folding Concepta III V2 system. The system provides a solution for furniture applications where compatible wooden doors can **pivot, fold and slide laterally**, allowing the doors to be moved away from the cabinet opening.

This **right-hand track set** is supplied as a system accessory rather than a complete Folding Concepta III V2 door hardware set. It is intended to be combined with the appropriate compatible components for the required **composed cabinet installation**.

Product Features

- **Dedicated cabinet track set** for Hawa Folding Concepta III V2 systems
- Designed for a **composed cabinet configuration**
- Specified for a **right-hand installation**
- Manufactured from **aluminium**
- Features an **anodised finish**
- Forms part of the modular **Folding Concepta III V2** furniture system
- Suitable for Folding Concepta III V2 **folding and slide-in door installations**
- Designed to be combined with the appropriate compatible **system components**

Product Benefits

- **Purpose-designed for right-hand**

composed cabinet installations within the Folding Concepta III V2 system

- **Anodised aluminium construction provides the specified material and finish for the track system**
- **Modular configuration allows the appropriate components to be combined for the required cabinet installation**
- Supports the Folding Concepta III V2 system's **space-efficient folding and lateral door movement**
- Right-hand configuration allows the track system to match the required **cabinet orientation**
- Dedicated compatibility supports a coordinated **furniture and cabinetry installation**

Technical Characteristics

- **Product Type:** Cabinet Track Set
- **System:** Hawa Folding Concepta III V2
- **Cabinet Configuration:** Composed Cabinet
- **Handing:** Right Hand
- **Material:** Aluminium
- **Finish:** Anodised
- **Product Category:** System Accessory
- **Application:** Furniture & Cabinet Door Systems
- **Installation Type:** Modular System Component

Applications

The **Hawa Folding Concepta III V2 Cabinet Track Set – Composed Cabinet – Right Hand** is designed for compatible **Folding Concepta III V2 furniture and cabinetry installations** requiring a right-hand composed cabinet arrangement. Used with the appropriate additional Folding Concepta III V2 components, it forms part of a system for furniture doors that **fold and slide laterally**, helping provide convenient access to the cabinet interior while allowing the doors to be moved away from the main opening.
