Hawa Folding Concepta III V2 - Front Track Set - 2 Doors - Aluminium Anodised - Right Hand

Variant code: 53451

The **Hawa Folding Concepta III V2 Front Track Set** is a dedicated system accessory for compatible **Folding Concepta III V2** furniture door installations. This version is specifically designed for a **2-door front configuration** with a **right-hand installation**, forming part of the modular hardware used to create the corresponding Folding Concepta III V2 arrangement.

Manufactured from **aluminium** with an **anodised finish**, the front track set is designed to integrate with the appropriate components of the Folding Concepta III V2 system. The complete system enables wooden furniture doors to **pivot, fold and slide laterally**, allowing the doors to be moved away from the cabinet opening when required.

This **right-hand front track set** is an accessory rather than a complete folding door system. It is intended to be combined with the appropriate **Folding Concepta III V2 system components** to create the required 2-door furniture installation.

Product Features

- **Front track set** for Hawa Folding Concepta III V2 systems
- Designed for a **2-door front configuration**
- Specified for a **right-hand installation**
- Manufactured from **aluminium**
- Features an **anodised finish**
- Forms part of the modular **Folding Concepta III V2** furniture system
- Designed for use with compatible **Folding Concepta III V2 system components**
- Available within the front track set range in **anodised and black anodised aluminium** versions

Product Benefits

- **Purpose-designed for right-hand, 2-door Folding Concepta III V2 front**

configurations
- **Anodised aluminium construction provides the specified material and finish for the track set**
- **Modular system design allows the track set to be combined with the appropriate hardware for the required furniture configuration**
- Supports the Folding Concepta III V2 system's **space-efficient folding and lateral door movement**
- Right-hand configuration enables selection according to the required **door opening arrangement**
- Dedicated compatibility provides a coordinated component for **Folding Concepta III V2 furniture installations**

Technical Characteristics

- **Product Type:** Front Track Set
- **System:** Folding Concepta III V2
- **Door Configuration:** 2 Doors
- **Handing:** Right Hand
- **Material:** Aluminium
- **Finish:** Anodised
- **Product Category:** Accessory / System Component
- **Application:** Furniture & Cabinet Door Systems
- **Installation Type:** Modular System Component

Applications

The **Hawa Folding Concepta III V2 Front Track Set** is designed for compatible furniture and cabinetry installations using the **Folding Concepta III V2** system. It is specifically configured for a **right-hand 2-door front arrangement** and is combined with the appropriate additional system components to form a folding and slide-in furniture door installation.
