

Hawa Folding Concepta III V2 – Front Track Set – 4 Doors – Aluminium Anodised

Variant code: 53454

The **Hawa Folding Concepta III V2 Front Track Set** is a dedicated system accessory for compatible **Folding Concepta III V2** furniture installations. This version is specifically designed for a **4-door front configuration** and forms part of the modular hardware used to create the corresponding folding and slide-in furniture door system.

Manufactured from **aluminium** with an **anodised finish**, the front track set provides the specified track solution for a four-door Folding Concepta III V2 arrangement. It is designed for integration with the appropriate additional components required to complete the furniture door installation.

As part of the **Folding Concepta III V2** range, the track set supports systems in which compatible wooden doors can **pivot, fold and slide laterally**, allowing the doors to be moved away from the cabinet opening. This product is a **system accessory rather than a complete door hardware set**.

Product Features

- **Front track set** for Hawa Folding Concepta III V2 systems
- Designed for a **4-door front configuration**
- Manufactured from **aluminium**
- Features an **anodised finish**
- Forms part of the modular **Folding Concepta III V2** furniture system
- Designed for use with compatible **folding and slide-in furniture door systems**
- Suitable for integration with the appropriate additional **Folding Concepta III V2 system components**
- Also available within the range with a **black anodised finish**

Product Benefits

- **Purpose-designed for 4-door Folding**

Concepta III V2 front configurations

- **Anodised aluminium construction provides the specified material and finish for the track set**
- **Modular design allows the track set to be combined with the appropriate Folding Concepta III V2 components for the required installation**
- Supports the system's **space-efficient folding and lateral door movement**
- Provides a dedicated track solution for **four-door furniture fronts**
- Designed as part of a coordinated **Folding Concepta III V2 furniture system**

Technical Characteristics

- **Product Type:** Front Track Set
- **System:** Folding Concepta III V2
- **Door Configuration:** 4 Doors
- **Material:** Aluminium
- **Finish:** Anodised
- **Product Category:** Accessory / System Component
- **Application:** Furniture & Cabinet Door Systems
- **System Type:** Folding & Slide-In Furniture Door System
- **Installation Type:** Modular System Component

Applications

The **Hawa Folding Concepta III V2 Front Track Set – 4 Doors – Aluminium Anodised** is designed for compatible furniture and cabinetry installations using the **Folding Concepta III V2** system with a **4-door front arrangement**. Combined with the appropriate additional system components, it forms part of a furniture door solution that allows compatible wooden doors to **pivot, fold and slide laterally**, providing convenient access to the cabinet interior while allowing the doors to be moved away from the main opening.
