

Hawa Folding Concepta III V2 – Front Track Set – 3 Doors – Aluminium Anodised – Left Hand

Variant code: 53452

The **Hawa Folding Concepta III V2 Front Track Set** is a dedicated accessory for compatible **Folding Concepta III V2** furniture door installations. This version is specifically designed for a **3-door front configuration** with a **left-hand installation**, forming part of the modular hardware required for the corresponding Folding Concepta III V2 system.

Manufactured from **aluminium** with an **anodised finish**, the front track set provides the appropriate track component for a three-door Folding Concepta III V2 arrangement. It is designed to be integrated with the other compatible components required to create the complete furniture door system.

As part of the **Folding Concepta III V2** range, this track set supports a system designed to allow compatible wooden doors to **pivot, fold and slide laterally**. This product is supplied as a **system accessory** and should not be considered a complete Folding Concepta III V2 door hardware set.

Product Features

- **Front track set** for Hawa Folding Concepta III V2 systems
- Designed for a **3-door front configuration**
- Specified for a **left-hand installation**
- Manufactured from **aluminium**
- Features an **anodised finish**
- Forms part of the modular **Folding Concepta III V2** furniture system
- Designed for use with compatible **folding and slide-in furniture door installations**
- Intended for combination with the appropriate additional **Folding Concepta III V2 system components**

Product Benefits

- **Purpose-designed for left-hand, 3-door Folding Concepta III V2 front configurations**
- **Anodised aluminium construction provides the specified material and finish for the track set**
- **Modular system design allows the track set to be combined with the appropriate components for the required furniture installation**
- **Supports the system's space-efficient folding and lateral door movement**
- **Left-hand configuration enables selection according to the required furniture opening arrangement**
- **Provides a dedicated track solution for three-door furniture fronts**

Technical Characteristics

- **Product Type:** Front Track Set
- **System:** Folding Concepta III V2
- **Door Configuration:** 3 Doors
- **Handing:** Left Hand
- **Material:** Aluminium
- **Finish:** Anodised
- **Product Category:** Accessory / System Component
- **Application:** Furniture & Cabinet Door Systems
- **System Type:** Folding & Slide-In Furniture Door System
- **Installation Type:** Modular System Component

Applications

The **Hawa Folding Concepta III V2 Front Track Set – 3 Doors – Aluminium Anodised – Left Hand** is designed for compatible furniture and cabinetry installations using the **Folding Concepta III V2** system. Specifically configured for a **left-hand 3-door front arrangement**, it is used with the appropriate additional system components to form a furniture door installation in which compatible wooden doors can **pivot, fold and slide laterally**, providing convenient access to the cabinet interior.
