

Hawa Folding Concepta III V2 – Front Track Set – 3 Doors – Aluminium Anodised – Right Hand

Variant code: 53453

The **Hawa Folding Concepta III V2 Front Track Set** is a dedicated system component for compatible **Folding Concepta III V2** furniture installations. This version is specifically designed for a **3-door front configuration** with a **right-hand installation**, forming part of the modular hardware required for the corresponding Folding Concepta III V2 arrangement.

Manufactured from **aluminium** with an **anodised finish**, the front track set provides the appropriate track solution for a three-door installation. It is designed to be combined with the relevant compatible components required to create the complete **Folding Concepta III V2** furniture door system.

As part of the **Folding Concepta III V2** range, the track set supports furniture systems in which compatible wooden doors can **pivot, fold and slide laterally**. This product is supplied as an **accessory/system component** rather than a complete folding door hardware set.

Product Features

- **Front track set** for Hawa Folding Concepta III V2 systems
- Designed for a **3-door front configuration**
- Specified for a **right-hand installation**
- Manufactured from **aluminium**
- Features an **anodised finish**
- Forms part of the modular **Folding Concepta III V2** furniture system
- Suitable for compatible **folding and slide-in furniture door installations**
- Designed for combination with the appropriate additional **Folding Concepta III V2 components**

Product Benefits

- **Purpose-designed for right-hand,**

3-door Folding Concepta III V2 front configurations

- **Anodised aluminium provides the specified material and finish for the track set**
- **Modular design allows the track set to be combined with compatible components for the required furniture installation**
- Supports the system's **space-efficient folding and lateral door movement**
- Right-hand configuration allows selection according to the required **furniture opening arrangement**
- Provides a dedicated track solution for **three-door furniture fronts**

Technical Characteristics

- **Product Type:** Front Track Set
- **System:** Folding Concepta III V2
- **Door Configuration:** 3 Doors
- **Handing:** Right Hand
- **Material:** Aluminium
- **Finish:** Anodised
- **Product Category:** Accessory / System Component
- **Application:** Furniture & Cabinet Door Systems
- **System Type:** Folding & Slide-In Furniture Door System
- **Installation Type:** Modular System Component

Applications

The **Hawa Folding Concepta III V2 Front Track Set – 3 Doors – Aluminium Anodised – Right Hand** is designed for compatible furniture and cabinetry installations using the **Folding Concepta III V2** system. Specifically configured for a **right-hand 3-door front arrangement**, it is combined with the appropriate additional system components to form a furniture door installation where compatible doors can **pivot, fold and slide laterally**, allowing them to move away from the cabinet opening for convenient access.
