

Hawa Folding Concepta III V2 – Front Track Set – 2 Doors – Black Anodised – Left Hand

Variant code: 53455

The **Hawa Folding Concepta III V2 Front Track Set** is a dedicated system accessory for compatible **Folding Concepta III V2** furniture installations. This version is designed for a **2-door front configuration** with a **left-hand installation**, providing the corresponding track components for the system.

Manufactured from **aluminium** with a **black anodised finish**, the track set forms part of the modular Folding Concepta III V2 hardware range. It is designed for use within furniture systems that allow compatible wooden doors to **pivot, fold and slide laterally** to provide access to the cabinet interior.

The **left-hand front track set** is supplied as an **accessory/system component** rather than a complete Folding Concepta III V2 door system. It is intended to be combined with the appropriate compatible system components according to the required furniture and door configuration.

Product Features

- **Front track set** for Hawa Folding Concepta III V2 systems
- Designed for a **2-door front configuration**
- Specified for a **left-hand installation**
- Manufactured from **aluminium**
- Features a **black anodised finish**
- Forms part of the modular **Folding Concepta III V2** furniture system
- Designed for compatible **folding and lateral sliding furniture door systems**
- Intended for use with the appropriate additional **Folding Concepta III V2** system components

Product Benefits

- **Purpose-designed for left-hand, 2-door Folding Concepta III V2 front configurations**

- **Black anodised aluminium provides a coordinated dark finish for the track installation**
- **Modular system design allows the track set to be combined with the appropriate Folding Concepta III V2 components**
- Provides a dedicated track solution for **2-door furniture fronts**
- Left-hand configuration allows selection according to the required **installation orientation**
- Supports the **folding and lateral movement** of doors within a complete compatible Folding Concepta III V2 installation

Technical Characteristics

- **Product Type:** Front Track Set
- **System:** Folding Concepta III V2
- **Door Configuration:** 2 Doors
- **Handing:** Left Hand
- **Material:** Aluminium
- **Finish:** Black Anodised
- **Product Category:** Accessory / System Component
- **Application:** Furniture & Cabinet Door Systems
- **Installation Type:** Modular System Component

Applications

The **Hawa Folding Concepta III V2 Front Track Set – 2 Doors – Black Anodised – Left Hand** is intended for compatible **Folding Concepta III V2 furniture and cabinetry installations** requiring a **left-hand 2-door front arrangement**. Used with the appropriate additional system components, it forms part of a furniture door solution designed to allow compatible wooden doors to **pivot, fold and slide laterally**, providing convenient access to the cabinet interior.
