

Hawa Folding Concepta III V2 – Front Track Set – 4 Doors – Black Anodised

Variant code: 53459

The **Hawa Folding Concepta III V2 Front Track Set** is a dedicated system accessory for compatible **Folding Concepta III V2** furniture installations. This version is specifically designed for a **4-door front configuration** and forms part of the modular hardware required for the corresponding Folding Concepta III V2 system.

Manufactured from **aluminium** with a **black anodised finish**, the front track set provides the specified track component for a four-door installation. It is designed to be combined with the appropriate compatible components required to create the complete **Folding Concepta III V2** furniture door system.

As part of the **Folding Concepta III V2** range, this track set supports furniture systems designed to allow compatible wooden doors to **pivot, fold and slide laterally**. The product is supplied as an **accessory/system component** rather than as a complete folding door hardware set.

Product Features

- **Front track set** for Hawa Folding Concepta III V2 systems
- Designed for a **4-door front configuration**
- Manufactured from **aluminium**
- Features a **black anodised finish**
- Forms part of the modular **Folding Concepta III V2** furniture system
- Designed for compatible **folding and slide-in furniture door installations**
- Classified as an **accessory/system component**
- Designed for use with the appropriate compatible **Folding Concepta III V2 components**

Product Benefits

- **Purpose-designed for 4-door Folding Concepta III V2 front configurations**

- **Black anodised aluminium provides the specified material and dark finish for the track installation**
- **Modular system design allows the track set to be combined with the appropriate Folding Concepta III V2 components**
- Provides a dedicated track solution for **4-door furniture fronts**
- Supports the **folding and lateral movement** of compatible doors within the complete system
- Available as part of a coordinated range of **anodised and black anodised aluminium track sets**

Technical Characteristics

- **Product Type:** Front Track Set
- **System:** Folding Concepta III V2
- **Door Configuration:** 4 Doors
- **Material:** Aluminium
- **Finish:** Black Anodised
- **Product Category:** Accessory / System Component
- **Application:** Furniture & Cabinet Door Systems
- **System Type:** Folding & Slide-In Furniture Door System
- **Installation Type:** Modular System Component

Applications

The **Hawa Folding Concepta III V2 Front Track Set – 4 Doors – Black Anodised** is designed for compatible furniture and cabinetry installations using the **Folding Concepta III V2** system with a **4-door front arrangement**. Used with the appropriate additional system components, it forms part of a furniture door solution designed to allow compatible wooden doors to **pivot, fold and slide laterally**, providing convenient access to the cabinet interior while allowing the doors to move away from the main opening.
