Hawa Folding Concepta III V2 - Front Track Set - 2 Doors - Aluminium Anodised - Left Hand

Variant code: 53450

The **Hawa Folding Concepta III V2 Front Track Set** is a dedicated system component for compatible **Folding Concepta III V2** furniture door installations. This version is specifically configured for a **2-door front** with a **left-hand installation**, forming part of the modular hardware required for the corresponding Folding Concepta III V2 arrangement.

Manufactured from **aluminium** with an **anodised finish**, the track set is designed for integration into the Folding Concepta III V2 system. The overall system enables compatible wooden doors to **pivot, fold and slide laterally**, providing convenient access to the cabinet interior while allowing the doors to be moved away from the main opening.

This **left-hand front track set** is supplied as an accessory rather than a complete folding door system. It is intended to be combined with the appropriate compatible **Folding Concepta III V2 components** required to complete the specified 2-door furniture installation.

Product Features

- **Front track set** for Hawa Folding Concepta III V2 systems
- Designed for a **2-door front configuration**
- Specified for a **left-hand installation**
- Manufactured from **aluminium**
- Features an **anodised finish**
- Forms part of the modular **Folding Concepta III V2** furniture system
- Supports a system designed for **pivoting, folding and lateral sliding** of compatible wooden doors
- Designed for use with the appropriate compatible **Folding Concepta III V2 system components**

Product Benefits

- **Purpose-designed for a left-hand, 2-door Folding Concepta III V2 front configuration**
- **Anodised aluminium construction provides the specified material and finish for the track set**
- **Modular system design allows the track set to be combined with the appropriate components for the required furniture installation**
- Supports the **space-efficient folding and lateral movement** of compatible doors
- Left-hand configuration allows the track arrangement to match the required **opening orientation**
- Dedicated system compatibility supports a coordinated **furniture and cabinetry installation**

Technical Characteristics

- **Product Type:** Front Track Set
- **System:** Folding Concepta III V2
- **Door Configuration:** 2 Doors
- **Handing:** Left Hand
- **Material:** Aluminium
- **Finish:** Anodised
- **Product Category:** System Accessory
- **Application:** Furniture & Cabinet Door Systems
- **Installation Type:** Modular System Component

Applications

The **Hawa Folding Concepta III V2 Front Track Set** is designed for compatible furniture and cabinetry installations using the **Folding Concepta III V2** system. It is specifically intended for a **left-hand 2-door front configuration** and is combined with the appropriate additional system components to create a furniture door installation capable of **pivoting, folding and sliding laterally** away from the cabinet opening.
