Hawa Concepta III 25 - Sliding Door Hardware - Complete Set - 1900–2700mm - Pull - 2 Doors Left

Variant code: FC252L.PULL

Introducing Hawa Folding Concepta III, from Hawa Sliding Solutions, the latest addition to the Hawa Concepta III family. Discover it's at the cutting edge when it comes to practical flexibility in the kitchen and the living area.

Large-scale constructions offer a further aspect of versatility thanks to the innovative folding/slide-in hardware: doors can be simply folded as if by magic, before disappearing into the smallest of spaces.

Useful shelves can be transformed into aesthetic cabinets in an instant – and vice-versa.

The trick: A gentle tap, and the doors open. Giving you access, even if you don't have a free hand at the time!

Features:

- Perfect for large fronts: can be easily combined with the Hawa Concepta III, for three-door solutions without a separating wall
- Versatile: from kitchens to walk-in wardrobes to the home office
- Everything under control, even regarding design, with options with or without handles possible
- Intuitive operation: the doors open with a simple tap
- Maximum stability thanks to high quality cable system
- Optimised curve technology for quieter and smoother running
- Suitable for constructions up to 3000 mm wide and 2700mm high

Quick installation, perfect adjustment

- High degree of pre-assembly: installed in just a few minutes with few tools
- Easily accessible adjustment points make in situ adjustment a breeze
- Easy to understand step-by-step
