

## Heavy Bean Thumb latch – Black

**Variant code: 33253**

Traditionally used on a ledge and braced door, a thumb latch set is a decorative door latch with a thumb shaped lever. When the thumb shaped lever is pressed down this operates a thumb bar which passes through the door, this lifts the latch bar on the opposite side causing it to open.

- Our blacksmith thumb latches are hammered into shape from mild steel using the traditional manufacturing method of an anvil and fire.
- Thumb latches are usually used in conjunction with a tee hinge on traditional plank doors.
- Maximum door thickness: 55mm.
- Supplied with matching SS wood screws.
