

Heavy Duty Lift Assist Damper for Counter Flaps – 35–50 N-m/pc – inc White Cover

Variant code: CFDXXL-WT

DESCRIPTION

- Lift-assist function helps children, elderly, and disabled to open and close
- Soft-close damper eliminates panel from slamming shut on hands and fingers
- Damper function engages at low angles (does not need to be fully opened to soft-close)
- Stopper holds panel at 95° to prevent over-rotation
- Surface-mounting allows retrofit into existing countertop passages

Piono hinge sold separately
