

Blum Clip Top Cover Cap – Nil Protrusion Hinge Cover Cap Arm– Nickel

Variant code: 70.7503

Blum CLIP top Cover Cap – Nil Protrusion Hinge Arm – Nickel is designed to provide a clean and professional finish to cabinet hinge installations by concealing the hinge arm on compatible **Blum CLIP top nil protrusion hinges**. Manufactured by **Blum**, a globally recognised specialist in cabinet hardware, this cover cap enhances the internal appearance of cabinetry while maintaining full compatibility with the CLIP top hinge system.

The cover cap fits securely onto **nil protrusion hinge arms**, neatly covering the visible hinge mechanism to create a streamlined and refined cabinet interior. By concealing the hinge arm components, the cap improves the overall presentation of cabinet hardware and contributes to a more polished finish within the cabinet.

Designed for quick and straightforward installation, the cover cap **clips directly onto the hinge arm** without requiring additional tools or fixings. This allows installers to complete hinge installations efficiently while still maintaining access to hinge adjustments or servicing when required.

Finished in **Nickel**, the cover cap integrates seamlessly with **nickel-plated Blum CLIP top hinges**, ensuring consistent hardware presentation across cabinetry. Manufactured from durable materials, the cap is designed to withstand regular cabinet use while maintaining its appearance over time.

Product Features

- Designed for **Blum CLIP top nil protrusion hinge arms**
- Conceals hinge arm components for a **clean cabinet interior finish**
- **Clip-on installation** for quick and easy fitting
- Compatible with the **Blum CLIP top hinge system**

- **Nickel finish** to match standard hinge hardware
