Inset Off-Set Pivot Hinge - Polished Brass - Right Hand

Variant code: TTS-902MR

Inset Offset Pivot Hinge is a premium architectural hinge designed to provide smooth, reliable pivoting for inset cabinet and furniture doors. Finished in an elegant **Polished Brass**, this offset pivot hinge delivers both refined aesthetics and dependable performance, making it ideal for high-end residential, commercial and bespoke joinery applications.

Available in **Right Hand and Left Hand** configurations, the TTS-902M is engineered for inset door installations where precise alignment and smooth door movement are essential. Its offset pivot design ensures controlled opening and closing while maintaining a clean, unobtrusive appearance. Manufactured to Sugatsune's renowned quality standards, the hinge offers long-lasting durability and consistent performance for frequently used furniture and cabinetry.

Ideal for premium furniture and architectural joinery, the TTS-902M combines elegant styling with precision engineering to deliver a concealed pivot solution that enhances both functionality and design.
