# Intumescent Pack to Suit Concealed Overhead Door Closer/2840

**Variant code: 2840.INT**

Product Overview

• Intumescent to suit the 2840 Concealed Overhead Door Closer

• This intumescent sits on top of the 2840 mechanism – allows you to retain an extra 4mm in the door and ensures

no shadowing or breakout of the door.

• Fire tested to EN1634 with the 2840 (FD30 & FD60)

• Self-adhesive, making it easier to install

FIRE DOORS

2840.INT MUST be used on fire doors with the 2840 closers, as this is how it has been fire-tested.
