

Key-Flush Sash Stop – Polished Nickel

Variant code: 49920

Our collection of sash furniture complements all other products within the range, allowing a consistent finish throughout a property or project.

Fitted to the sash to restrict the opening for safety reasons and to allow the sash to be opened for ventilation without compromising on security.

Strike plates are fitted to the top of the bottom sash to prevent damage.

- Stop can be retracted into the barrel to allow the window to be fully opened.
- Sold in singles.
- Supplied with matching SS wood screws.

Property	Value
