

## LED Round/Lune End Bracket & Fixing Clips – Pack of 2

Variant code: LLP05090

### LED Round/Lune End Bracket & Fixing Clips – Pack of 2

#### Enhance Your LED Lighting Installation with Durable & Reliable End Brackets

This essential pack includes 2 high-quality LED Round/Lune End Brackets designed for secure and professional installation of your LED lighting strips.

#### Key Features:

**Versatile Compatibility:** Suitable for a wide range of round and lune-shaped LED profiles.

**Robust Construction:** Made from durable materials for long-lasting performance and resistance to wear and tear.

**Easy Installation:** Includes fixing clips for quick and effortless mounting.

**Clean & Professional Finish:** Provides a neat and professional appearance to your LED lighting project.

**Improved Stability:** Ensures your LED lights remain securely in place, preventing sagging or movement.

#### Benefits:

**Enhanced Aesthetics:** Create a sleek and polished look for your LED lighting installations.

**Improved Durability:** Protect your LED lights from damage and extend their lifespan.

**Simplified Installation:** Save time and effort with easy-to-use fixing clips.

**Increased Safety:** Securely mounted lights minimise the risk of accidents.

**Applications:**

**Residential:** Accent lighting, under-cabinet lighting, cove lighting, and more.

**Commercial:** Retail displays, office lighting, hospitality spaces, and more.
