Blum Legrabox Back Fixing Bracket - 'M' Height (90.5mm) - Orion Grey - Left Hand

Variant code: ZB7M000SOGLH

Blum LEGRABOX Back Fixing Bracket - 'M' Height 90.5mm - Orion Grey is designed to securely connect the drawer back to LEGRABOX drawer sides, ensuring accurate alignment and structural stability within the drawer system. As part of Blum's premium LEGRABOX platform, this component supports consistent assembly and long-term performance in high-quality drawer constructions.

The **M height (90.5mm)** configuration is suited to standard drawer applications, providing a balanced drawer profile while maintaining secure rear panel fixing. Designed for **left, right and left & right hand configurations**, the brackets allow flexible specification depending on installation requirements, ensuring precise positioning and reliable retention of the drawer back.

Finished in durable **Orion Grey**, the bracket integrates seamlessly with LEGRABOX drawer sides and internal cabinet aesthetics. Manufactured to Blum's exacting standards, it ensures a precise fit and dependable performance when used with compatible LEGRABOX components.

Product Features

- Designed for **Blum LEGRABOX drawer systems**
- **M height (90.5mm)** compatibility
- Available in **left, right and paired configurations**
- Durable **Orion Grey finish**
- Secure fixing between drawer back and sides
- Precision-engineered for accurate alignment

Product Benefits

- Ensures stable and reliable drawer construction
- Supports consistent alignment across components
- Provides flexibility in installation and
