

Blum Legrabox Back Fixing Bracket – 'N' (66.5 mm) Height – Left & Right Handed – Orion Grey

Variant code: ZB7N000SOGV1

Open the doors (or cabinets) to the future – Legrabox Back Fixing Bracket 'N' Height in **sophisticated Orion Grey**. Designed for seamless integration with Blum's Legrabox drawer system, these robust left and right-hand brackets provide a secure and precise connection to cabinet backs, ensuring lasting stability and a high-quality finish.

Engineered for Efficiency and Reliability:

- **Optimized for Legrabox:** Specifically designed for perfect compatibility with Blum Legrabox drawers, guaranteeing a flawless fit and reliable performance.
- **Secure Back Panel Connection:** Provides a strong and stable fixing point for cabinet back panels, minimising movement and ensuring structural integrity.
- **'N' Height Versatility:** Suitable for 'N' height Legrabox drawers, offering flexibility across various cabinet designs.
- **Left & Right Hand Configuration:** Supplied as a set for both sides, simplifying ordering and ensuring complete installation.
- **Durable Construction:** Manufactured from high-quality materials for long-lasting durability and resistance to wear and tear in demanding environments.
- **Sleek Orion Grey Finish:** The modern Orion Grey finish adds a touch of sophistication and seamlessly integrates with contemporary cabinet interiors.

Benefits for Your Business:

- **Streamlined Installation:** The intuitive design ensures quick and easy installation, saving valuable time on site or in the workshop.
- **Enhanced Stability:** Provides a robust connection, contributing to the overall stability and longevity of your cabinet installations.
- **Professional Finish:** Ensures a clean and

professional aesthetic, enhancing the quality of your finished projects.

- **Reduced Errors:** Precise engineering minimises the risk of misalignment and installation errors.
- **Increased Customer Satisfaction:** Delivering high-quality, stable, and aesthetically pleasing cabinetry leads to greater client satisfaction.
- **Reliable Supply:** As a component within the trusted Blum Legrabox system, you can rely on consistent quality and availability.

Ideal for:

- **Joiners & Cabinet Makers:** Achieve precise and durable drawer installations with ease.
- **Architects & Specifiers:** Specify a reliable and aesthetically pleasing solution for high-quality cabinetry projects.
- **Project Managers:** Ensure efficient and error-free cabinet installations, staying on schedule and within budget.
- **Kitchen Designers:** Integrate a premium fixing solution that complements modern kitchen designs.
- **Furniture Manufacturers:** Enhance the quality and stability of your Legrabox-equipped furniture.
