

Blum Legrabox Drawer Side – 'C' Height (177.5mm) – Left & Right Hand 550mm – Stainless Steel

Variant code: 770C5502IV1

Elevate your projects with the Legrabox Drawer Side 'C' Height, a high-quality, precision-engineered solution designed for demanding applications across residential and commercial spaces. This set includes both left and right-hand drawer sides in a sophisticated Silk White finish and a nominal length (NL) of 600mm.

Engineered for Excellence, Built for Business:

The Legrabox system is renowned for its sleek, minimalist design and exceptional running performance. The 'C' height offers a versatile solution suitable for a wide range of drawer applications, from kitchen cabinetry and bespoke furniture to commercial fit-outs and architectural projects.

Key Benefits for Your Business:

- **Uncompromising Quality & Durability:** Crafted with premium materials and precision engineering, Legrabox drawer sides ensure long-lasting performance and reliability, reducing callbacks and enhancing client satisfaction.
- **Sleek & Modern Aesthetics:** The elegant Silk White finish and clean lines of the Legrabox system add a touch of sophistication to any design, appealing to discerning clients and enhancing the overall project value.
- **Smooth & Silent Operation:** Legrabox's renowned smooth running action and soft-close mechanism provide a premium user experience, a key selling point for high-end projects.
- **Versatile Application:** Suitable for various drawer widths and depths, the 600mm nominal length and 'C' height make this drawer side ideal for kitchens, bedrooms, offices, and more.
- **Effortless Installation:** Designed for straightforward installation, saving valuable time and labour costs on site or in the workshop.

- **Consistent Quality & Availability:** As a trusted brand, Legrabox offers consistent product quality and reliable availability, ensuring smooth project timelines.
- **Enhanced Design Flexibility:** The minimalist design seamlessly integrates with various materials and styles, providing greater creative freedom for architects and designers.

Specifically Appealing To:

- **Joiners & Cabinet Makers:** Achieve flawless drawer construction with precise dimensions and easy assembly, ensuring customer satisfaction and repeat business.
- **Architects & Interior Designers:** Specify a premium drawer system that combines exceptional functionality with a sophisticated aesthetic, enhancing the overall design and user experience of your projects.
- **Project Managers & Developers:** Rely on the durability and consistent quality of Legrabox to deliver high-end finishes within budget and on schedule.
- **Kitchen Designers & Retailers:** Offer clients a superior drawer solution that elevates kitchen design, provides smooth operation, and adds significant value.
