Blum Legrabox Drawer Pack - Space Tower Slim Fully Assembled - 300x450mm - Orion Grey

Variant code: BLT.300.450.A.OG

Give elegance to your projects with the Legrabox Space Tower Slim Drawer Pack, the ultimate solution for optimising vertical storage in kitchens, pantries, and utility spaces. Designed for seamless integration and unparalleled functionality, this system is perfect for **joiners, architects, project managers, and interior designers** seeking to deliver exceptional results.

Why choose the Legrabox Space Tower Slim Drawer Pack?

- **Space Optimisation:** Maximise every inch of available space with the slim profile design, ideal for narrow cabinets and tight layouts. Deliver projects with increased storage capacity without compromising on accessibility.
- **Precision Engineering:** The Legrabox system is renowned for its smooth, silent operation and exceptional stability. Impress clients with superior quality and meticulous attention to detail.
- **Modular Flexibility:** Adapt the drawer pack to meet specific project requirements. The modular design allows for customised configurations, catering to diverse storage needs.
- **Effortless Installation:** Simplify your workflow with the easy-to-install system. Streamline project timelines and reduce on-site labour.
- **Premium Aesthetics:** The sleek, minimalist design of the Legrabox system adds a touch of sophistication to any space. Enhance the visual appeal of your projects with a high-end storage solution.
- **Durable and Reliable:** Built to withstand daily use, the Legrabox system ensures long-lasting performance and client satisfaction.

Ideal for:

- Kitchen storage solutions
