Blum Legrabox Cover Cap - Internal Symmetrical - Orion Grey

Variant code: ZA7.5700.BT.OG

Blum LEGRABOX Cover Cap - Internal Symmetrical is designed to conceal internal fixing points within LEGRABOX drawer sides, providing a **clean internal finish** and enhancing the overall appearance of the drawer interior. As part of Blum's premium LEGRABOX system, it supports a **refined and consistent design**, ensuring that visible internal hardware remains discreet and unobtrusive.

The **symmetrical design** allows the cover cap to be used on both left and right drawer sides, simplifying installation and ensuring a uniform internal appearance across all drawer configurations. It clips securely into place over exposed fixing areas, delivering a **flush and integrated finish** that aligns with the clean, straight-line design of LEGRABOX drawers.

Finished in **Orion Grey**, the cover cap matches LEGRABOX drawer components, maintaining a cohesive internal aesthetic. Manufactured for durability, it protects internal fixing points from dust and wear while ensuring long-term performance within the drawer system.

Product Features

- Designed for **Blum LEGRABOX drawer systems**
- **Symmetrical design** for universal left/right use
- Conceals **internal fixing points**
- Provides **clean internal drawer finish**
- Secure **clip-on installation**

- Suitable for **residential and commercial cabinetry**

Technical Characteristics

- Compatible with **Blum LEGRABOX drawer sides**
- Designed for internal application
- Symmetrical format allows interchangeable use
- Clip-on fixing for easy installation
- Durable construction for long-term use
- Ensures seamless integration within the LEGRABOX system

Applications

This internal cover cap is suitable for **kitchen cabinetry, wardrobes, storage units and fitted furniture** where a clean and refined drawer interior is required. It is particularly effective in **visible internal drawer applications**, ensuring that fixing points are concealed and the drawer maintains a consistent, high-quality finish inside as well as externally.
