

## Legrabox Symmetrical Plain External Cover Cap – Orion Grey

Variant code: ZA7.0700.OG

**Enhance the aesthetic appeal and streamline the finishing touches of your high-end cabinetry and furniture projects with the Legrabox Symmetrical External Cover Cap in sophisticated Orion Grey.**

Crafted with renowned Austrian precision, this cover cap is specifically designed for the Blum Legrabox drawer system, ensuring a perfect, seamless fit and a consistently high-quality finish. Its symmetrical design offers flexibility and ease of installation, making it an ideal choice for a wide range of applications, from modern kitchens and luxurious bathrooms to bespoke furniture and commercial fit-outs.

### Key Benefits for Your Business:

- **Premium Aesthetics:** The elegant Orion Grey finish adds a touch of contemporary sophistication, elevating the overall look and feel of your projects and impressing discerning clients.
- **Seamless Integration:** Designed specifically for the Legrabox system, guaranteeing a flush, professional finish without visible gaps or inconsistencies.
- **Durable and High-Quality:** Manufactured in Austria to exacting standards, ensuring long-lasting performance and resilience in demanding environments.
- **Simplified Installation:** The symmetrical design eliminates orientation concerns, saving valuable time and reducing installation errors on site or in the workshop.
- **Versatile Application:** Suitable for a diverse range of projects, appealing to joiners, cabinet makers, kitchen designers, architects, and project managers working on residential and commercial spaces.
- **Consistent Quality:** Rely on the consistent manufacturing quality associated with the Blum brand, ensuring predictable and reliable results every time.

**Specifically Appealing To:**

- **Joiners & Cabinet Makers:** Achieve a flawless finish quickly and efficiently, enhancing the perceived value of your custom-built furniture.
- **Architects & Interior Designers:** Specify a high-quality, aesthetically pleasing detail that contributes to the overall design vision and client satisfaction.
- **Project Managers:** Ensure a smooth and efficient installation process with a reliable and well-designed component.
- **Kitchen Designers:** Offer clients a premium drawer system with meticulous attention to detail, enhancing the appeal of your kitchen designs.
