Locking Hinton Fastener - Polished Nickel

Variant code: 45341

The hinton handle is part of the period range of window furniture. A decorative Georgian design that will suit any setting.

Our weighty hinton window handle range is forged from solid brass which emphasises the high quality materials and manufacturing techniques used. A perfect design choice to use throughout your property with many other matching products available.

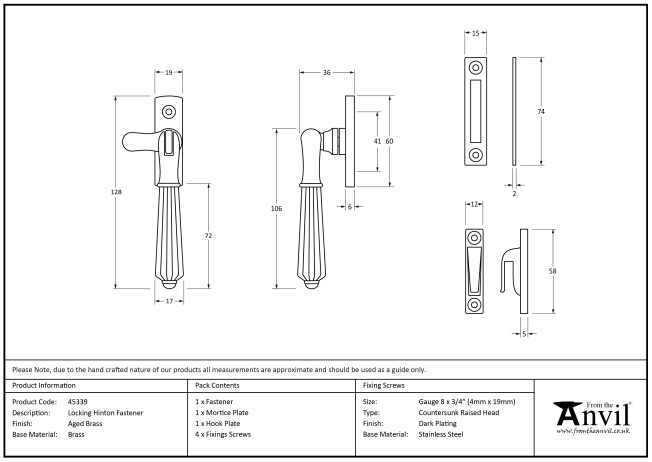

Designed to fit casement windows and match the hinton stays and door handles in the range.

- Reversible design and includes mortice and hook plates for different fitting options.
- The fastener has a locking mechanism by way of a grub screw.
- Suitable for use with weather-stripped windows.
- Supplied with matching SS wood screws.
