

Loop Door Knocker – Polished Chrome

Variant code: 90018

Our extensive selection of door knockers suit a variety of doors from timber, composite, upvc and aluminium offering both traditional and contemporary designs.

Our loop door knocker is forged from solid brass which emphasises the high quality materials and manufacturing techniques used. A perfect design choice for external doors with matching products available.

Fixed to your door using a bolt-through fixing for the knocker and strike plate, which is finished with a dome head cap on the internal side of the door.

Supplied with matching 70mm stainless steel threaded bars and dome headed caps.
