

## Medium Bean Thumblatch – Black

## Variant code: 33176

Traditionally used on a ledge and braced door, a thumb latch set is a decorative door latch with a thumb shaped lever. When the thumb shaped lever is pressed down this operates a thumb bar which passes through the door, this lifts the latch bar on the opposite side causing it to open.

> Our blacksmith thumblatches are hammered into shape from mild steel using the traditional manufacturing The thubdat claes and live used in conjunction with a tee hinge on Mapitie david kunktoo briggs \$555 for ord. screws.
