Blum Metabox Metafile Drawer - Suit 450 - 550mm R9001 Cabinet Widths of 275 - Cream - 600mm

Variant code: ZRM.5500C

lum METABOX METAFILE Drawer - Cream - 600mm is a practical file storage solution designed for integration within the Blum METABOX drawer system. Manufactured by **Blum**, this drawer system is engineered to provide **organised and efficient filing storage**, making it suitable for office, commercial and structured home storage applications.

Designed to suit **cabinet widths of 275mm** and compatible with METABOX systems for **nominal lengths ranging from 450mm to 550mm**, this METAFILE drawer enables secure and structured suspension filing. The system supports smooth drawer operation while maintaining stability under load, ensuring dependable day-to-day use.

Finished in **cream (R9001)**, the drawer provides a clean, neutral aesthetic that integrates seamlessly into a wide range of cabinetry styles. As part of the METABOX system, it benefits from **proven runner technology**, straightforward installation and compatibility with Blum components, ensuring consistent performance and ease of assembly.

Product Features

- **METAFILE drawer system** for organised filing storage
- Designed to suit **cabinet widths of 275mm**
- Compatible with **nominal lengths from 450mm to 550mm**
- **600mm drawer configuration** for extended storage capacity
- Durable **cream (R9001) finish**
- Compatible with **Blum METABOX drawer systems**
- Stable and smooth drawer operation
