Blum Metabox Single Extension - R9001 'N' Height - Cream - 450mm

Variant code: 320N450

Blum METABOX Drawer System - Single Extension N Height - Cream is a durable and high-capacity steel drawer solution designed for smooth and reliable operation in everyday cabinetry. Manufactured by **Blum**, a globally recognised leader in cabinet hardware, the METABOX system combines robust construction with proven runner technology to deliver consistent performance across a wide range of applications.

This system features **single extension**, allowing controlled and stable drawer movement while providing practical access to contents. The **N height drawer sides** offer a higher profile compared to other variants, making it suitable for deeper storage applications where increased drawer capacity is required. Finished in **cream (R9001)**, the system provides a clean and neutral appearance that integrates easily into a variety of cabinet styles.

Designed for compatibility within the Blum system, METABOX components ensure straightforward installation and dependable long-term use. The system is available in a range of **nominal lengths**, allowing cabinet manufacturers and installers to select the appropriate size to suit cabinet depth while maintaining consistent alignment and performance.

Product Features

- **Single extension drawer system** for controlled access
- **N height steel drawer sides** for increased storage capacity
- Durable **cream (R9001) powder-coated finish**
- Smooth and stable drawer movement
- Compatible with **Blum METABOX system components**
