

## Monkeytail Fastener – Polished Brass

**Variant code: 83593**

Our monkeytail fasteners offer our most traditional style, taking inspiration from original 18th century design.

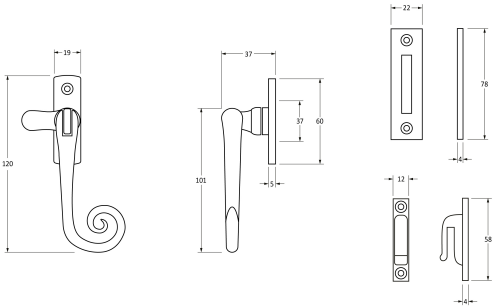

Designed to fit casement windows and match the monkeytail window stays in the range.

Our handmade fasteners are forged from mild steel giving them unrivalled strength and a wealth of character.

- Reversible design and includes a mortice plate, hook plate available separately (33237)
- Suitable for use with weather-stripped windows.
- Supplied with matching SS wood screws.
