

Monkeytail Lever Bathroom Set – Pewter

Variant code: 33617

The monkeytail part of this traditional lever range starts life as a thin piece of mild steel. Our blacksmiths then heat and delicately hammer the steel to form the curly monkeytail shape – one of the most traditional designs in our collection.

Designed to match the monkeytail window furniture in the range.

This handle has a strong spring incorporated into the stylish boss design to give both functionality & elegance.

- Lever handle for internal doors where privacy is required.
- Set includes 2 lever bathroom handles and coin and release thumbturn.
- Can be used with a bathroom mortice lock.
- Supplied with matching SS wood screws.
