

Monkeytail Slimline Lever Espag. Lock Set – Right Hand – Pewter

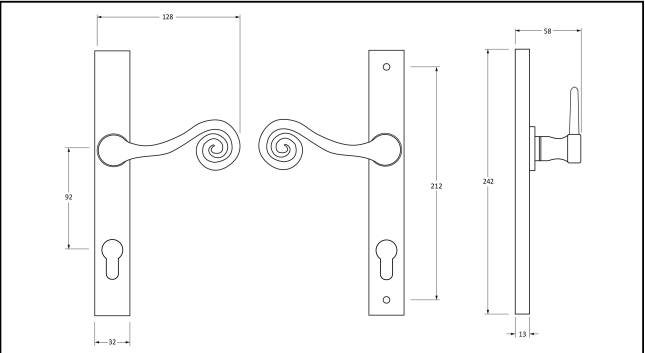

Variant code: 33038R

The monkeytail part of this traditional lever range starts life as a thin piece of mild steel.

- Our blacksmiths then heat and delicately hammer the steel to form the curly monkeytail shape – one of the most traditional designs in our collection.
- This handle has a strong double spring incorporated into the stylish boss design to give both functionality & elegance.
- Lever handle for external doors where multi-point locking is required.
- Set includes an internal and external lever espag lock handle.
- Can be used with a multi-point lock or french door kit in conjunction with a euro cylinder.
- Supplied with matching SS bolt through fixings.

Property	Value
Finish	Pewter Patina
Width (mm)	32
Depth (mm)	13
Range	Monkeytail
Overall Length (mm)	242
Handle Length (mm)	128

Gallery

Technical drawing of the Monkeytail Slim Lever Espag lock set. The drawing includes three views: a front view showing the lever and keyhole, a side view showing the handle and spindle, and a detail view of the handle. Dimensions are provided in millimeters: 228 (total width), 92 (height to keyhole), 32 (keyhole width), 212 (height to handle), 58 (handle width), 242 (height to handle), and 13 (handle thickness).

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
