Monkeytail Slimline Lever Espag. Lock Set - Right Hand - Pewter

Variant code: 33038R

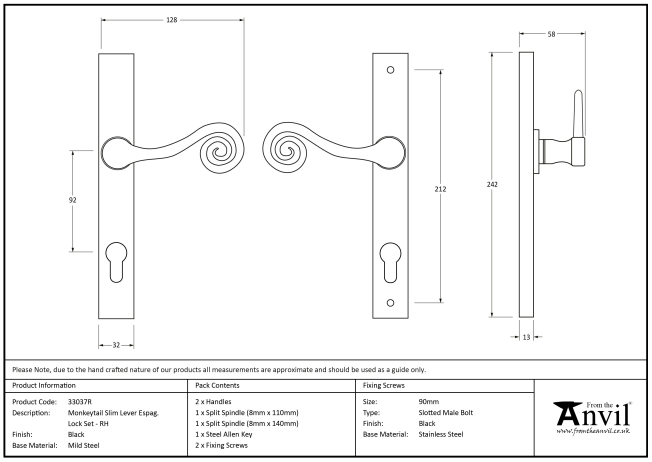

The monkeytail part of this traditional lever range starts life as a thin piece of mild steel.

- Our blacksmiths then heat and delicately hammer the steel to form the curly monkeytail shape - one of the most traditional designs in our collection.
- This handle has a strong double spring incorporated into the stylish boss design to give both functionality & elegance.
- Lever handle for external doors where multi-point locking is required.
- Set includes an internal and external lever espag lock handle.
- Can be used with a multi-point lock or french door kit in conjunction with a euro cylinder.
- Supplied with matching SS bolt through fixings.
