

## Monkeytail Slimline Lever Espag. Lock Set – Left Hand – Pewter

**Variant code: 33038L**

The monkeytail part of this traditional lever range starts life as a thin piece of mild steel.

Our blacksmiths then heat and delicately hammer the steel to form the curly monkeytail shape – one of the most traditional designs in our collection.

This handle has a strong double spring incorporated into the stylish boss design to give both functionality & elegance.

Lever handle for external doors where multi-point locking is required.

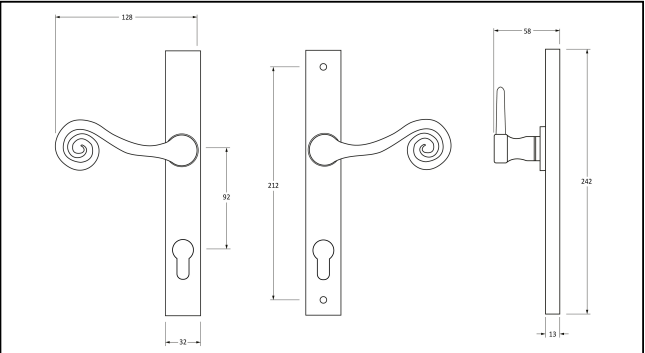

Set includes an internal and external lever espag lock handle.

Can be used with a multi-point lock or french door kit in conjunction with a euro cylinder.

Supplied with matching SS bolt through fixings.

Property	Value
Finish	Pewter Patina
Range	Monkeytail

Gallery

Technical drawing of the Monkeytail Slim Lever Espag lock set. The drawing shows three views: a front view, a side view, and a detail view. Dimensions are provided for each view.
