Gallery

Technical drawing of a 6 inch cranked door bolt. The drawing includes three views: a front view showing the bolt assembly with dimensions 158 (total length), 135 (bolt length), and 52 (height); a side view showing the bolt profile with dimensions 25 (width) and 52 (height); and a detail view of the cranked end with dimensions 40 (height), 60 (length), 6 (width), and 19 (height). The bolt is made of mild steel and has a black finish.

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
