Blum Movento Depth Adjustment Attachment - Left Hand

Variant code: 298.7601LH

Blum Movento Depth Adjustment Attachment - Left & Right Hand

Optimise Drawer Alignment with Precision and Efficiency

Ensure perfect drawer front alignment every time with the genuine **Blum Movento Depth Adjustment Attachment**. Designed for seamless integration with the **Blum Movento runner system**, this essential accessory allows for precise and independent depth adjustment of drawer fronts for both the **left-hand** and **right-hand** sides.

Key Benefits for Your Business:

- **Enhanced Installation Efficiency:** Streamline your cabinet and furniture assembly process. This attachment simplifies fine-tuning drawer front positioning, reducing installation time and labour costs.
- **Precise and Consistent Results:** Achieve flawless drawer alignment, minimising gaps and ensuring a high-quality finish for your products. This leads to increased customer satisfaction and reduced rework.
- **Independent Left & Right Adjustment:** Offers granular control over each side of the drawer front, accommodating slight variations in cabinet construction and ensuring perfect symmetry.
- **Durable and Reliable Blum Quality:** Manufactured to Blum's renowned standards, this attachment guarantees long-lasting performance and reliable operation, contributing to the overall durability of your furniture.
- **Seamless Integration with Movento:** Specifically engineered for compatibility with the **Blum Movento soft-close and Tip-On Blumotion runner systems**, ensuring a secure and functional fit.
- **Reduces Installation Errors:** Minimises the risk of misaligned drawer fronts, leading to fewer callbacks and a more
