

Blum Movento Depth Adjustment Attachment – Left Hand

Variant code: 298.7601LH

Blum Movento Right Hand Depth Adjustment Tool: Achieve Precise Drawer Front Alignment for High-End Cabinetry

Optimise your drawer installations and achieve flawless alignment with the genuine Blum Movento Depth Adjustment Attachment for the right-hand side.

This essential component is specifically designed for use with the Blum Movento runner system, providing a simple yet highly effective solution for fine-tuning drawer front depth. Ensure consistent reveals and a professional finish every time, minimising rework and maximising efficiency in your cabinet and furniture manufacturing processes.

Key Benefits for Your Business:

- **Precise Depth Adjustment:** Achieve millimeter-perfect drawer front alignment, crucial for high-quality furniture and satisfied clients.
- **Increased Efficiency:** Streamline your installation process and reduce the time spent on manual adjustments.
- **Reduced Errors & Rework:** Minimise costly mistakes and the need for time-consuming corrections.
- **Durable & Reliable:** Manufactured by Blum, a trusted industry leader, ensuring long-lasting performance and reliability in demanding production environments.
- **Seamless Integration:** Specifically engineered for the Blum Movento runner system, guaranteeing perfect compatibility and easy installation.
- **Professional Results:** Elevate the quality and finish of your cabinetry, enhancing your reputation and customer satisfaction.

Ideal for:

- **Cabinet Manufacturers:** Ensure consistent and high-quality drawer installations across all projects.

- **Furniture Makers:** Achieve precise alignment for a premium finish on all drawer-equipped furniture.
- **Shop Fitters:** Streamline on-site installations and ensure perfect drawer alignment in commercial spaces.
- **Joinery Businesses:** Enhance the efficiency and accuracy of your bespoke joinery projects.

Technical Specifications:

- **Product Name:** Blum Movento Depth Adjustment Attachment – Right Hand
- **Manufacturer:** Blum
- **System Compatibility:** Blum Movento Runner System
- **Handing:** Right Hand
- **Function:** Drawer Front Depth Adjustment

Improve your production workflow and deliver superior quality with the Blum Movento Depth Adjustment Attachment – Right Hand. Order yours today and experience the difference precision makes.
