

## Blum Movento Full Extension Runner System – Blumotion – 70Kg – 600mm NL

Variant code: 766H6000S

**Movento with Blumotion Full Extension Drawer Runners – 60kg Capacity, 500mm Nominal Length (NL)**

Upgrade your furniture and cabinetry with the **Movento with Blumotion Full Extension Runner System**. Engineered for smooth, silent operation and exceptional load-bearing capacity, these high-quality drawer slides are the ideal solution for demanding **commercial, industrial, and residential applications**.

Featuring integrated **Blumotion soft-close technology**, these runners ensure gentle and quiet drawer closing, preventing slamming and enhancing the overall user experience. The **full extension** design provides complete access to the contents of the drawer, maximising functionality and convenience.

### Key Features & Benefits for Your Business:

- **Robust 60kg Load Capacity:** Designed to handle heavy loads, making them perfect for **kitchen cabinets, office furniture, workshop drawers, and storage solutions**.
- **Full Extension:** Provides 100% drawer access, improving efficiency and usability for end-users.
- **Integrated Blumotion Soft-Close:** Offers premium soft and silent closing, increasing the perceived value and quality of your products.
- **Durable and Reliable:** Built with high-quality materials for long-lasting performance and reduced maintenance costs.
- **Precise and Smooth Movement:** Ensures effortless drawer operation, enhancing the user experience and reflecting superior craftsmanship.
- **Easy Installation:** Designed for efficient and straightforward mounting, saving you time and labour.
- **500mm Nominal Length (NL):** A versatile size suitable for a wide range of drawer depths.

- **Ideal for B2B Integration:** Perfect for **furniture manufacturers, cabinet makers, interior designers, fit-out contractors, and hardware distributors** seeking reliable and high-performing drawer runner solutions.
