

Blum Movento Full Extension Runner System – Blumotion – 40Kg – 450mm NL

Variant code: 760H4500S

Premium Full Extension Drawer Slides with Soft-Close & Handle-less Opening: Upgrade your furniture with our Movento system, featuring smooth, silent, and reliable full extension wooden drawer slides. Integrated soft-close and TIP-ON technology ensure handle-less opening and a premium user experience.

Key Features and Benefits:

- **Integrated Blumotion Soft-Close:** Experience the industry-leading Blumotion technology for gentle and silent drawer closing, preventing slamming and ensuring longevity.
- **Optional Tip-On Blumotion Compatibility:** Seamlessly integrate Tip-On Blumotion for handle-less drawer designs, offering convenient touch-to-open functionality combined with soft-close.
- **Synchronised Roller Carriage System:** Guarantees exceptionally smooth and stable drawer movement throughout the entire extension, even under load.
- **Full Extension:** Provides complete access to the contents of the drawer, maximising usable space and convenience.
- **Robust 40Kg Load Capacity:** Designed to handle substantial weight, making it ideal for a wide range of applications in kitchens, bedrooms, offices, and more.
- **Precise 520mm Nominal Length (NL):** Ensures accurate fitting for drawers with a specified depth.
- **Designed for Wooden Drawers:** Specifically engineered for optimal performance and integration with wooden drawer boxes.
- **Austrian Quality Engineering:** Benefit from the precision and durability associated with Austrian manufacturing standards.

Ideal Applications:

- High-end residential kitchens

- Luxury bathroom vanities
- Premium office furniture
- Custom cabinetry and joinery projects
- Applications demanding smooth, silent, and fully accessible drawers
