

Blum Movento Full Extension Runner System – Tip-On – 40Kg – 250mm NL

Variant code: 760H2500T

Unlock Effortless Drawer Access with Movento Tip-On Full Extension Runners (40Kg, 250mm NL)

High-Quality Kitchen Cabinet Drawer Slides – Full Extension, Soft Open, Handleless:

Specifically target kitchen renovations and new builds, emphasising the benefits of full extension, soft open, and handleless design in a kitchen environment.

Key Features & Benefits:

- **Full Extension:** Enjoy complete access to the entire drawer contents. No more reaching into the back!
- **Tip-On Mechanism:** Experience handleless design with a gentle push to open. Perfect for minimalist interiors.
- **Soft-Open Functionality:** The integrated **Tip-On** ensures a smooth and controlled opening motion.
- **40Kg Load Capacity:** Robust construction supports drawers carrying up to 40 kilograms, suitable for storing heavier items.
- **250mm Nominal Length (NL):** Specifically designed for drawers with a 250mm depth. Ensure compatibility with your furniture project.
- **High-Quality Construction:** Durable materials guarantee long-lasting performance and reliability.
- **Smooth and Silent Operation:** Engineered for quiet and effortless drawer movement.
- **Easy Installation:** Designed for straightforward mounting, making it suitable for DIY enthusiasts and professionals alike.
- **Modern and Sleek Design:** Enhances the aesthetics of any furniture piece.

Ideal For:

- Kitchen drawers
- Pantry drawers
- Bedroom drawers

- Office furniture
- Workshop storage
- Handle-less furniture designs
