

## Natural Textured Curly Lever Lock Set

**Variant code: 83500**

A highly decorative lever, the curled handle compliments the fleur-de-lys backplate in this classic design.

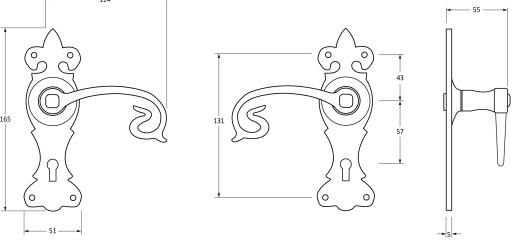

This handle has a strong spring incorporated into the backplate.

- Lever handle for internal and external doors including sliding doors.
- Supplied with 2 large 8mm bolts.

Our natural textured products are made from a natural cast iron and finished with a clear matt lacquer. Although the product surfaces are smooth, the complex finishing adds a depth of texture to each product, offering an abundance of character and suitability for both traditional and contemporary settings.
