

Newbury Lever on Rose Set – Unsprung – Aged Brass

Variant code: 50091

The newbury set is part of the period range of lever handles. The simple and slender design fits well into many different property types.

Our weighty newbury lever handle range is forged from solid brass which emphasises the high quality materials and manufacturing techniques used. A perfect design choice to use throughout your property with many other matching products available.

This handle is unsprung but has a stylish boss design to give both functionality & elegance.

- Lever handle for internal and external doors where locking is either required or not required.
- Set includes 2 lever on rose handles.
- Can be used with a multitude of standard locks, euro locks, multipoint locks, latches, escutcheons & thumbturns for various uses within the home.
- Supplied with matching SS bolt through fixings & SS wood screws.
