

Newbury Slimline Espag. Lock Set – Polished Nickel Hammered

Variant code: 45771

Our hammered range of products are meticulously hand-hammered by our skilled craftsmen. The textured surface this creates is well suited to a wide variety of settings.

Our weighty hammered newbury lever handle range is forged from solid brass which emphasises the high quality materials and manufacturing techniques used. A perfect design choice to use throughout your property with many other matching products available.

This handle has a strong double spring incorporated into the stylish boss design to give both functionality & elegance.

- Lever handle for external doors where multi-point locking is required.
- Set includes an internal and external lever espag lock handle.
- Can be used with a multi-point lock or french door kit in conjunction with a euro cylinder.
- Supplied with matching SS bolt through fixings.
