

## Newbury Slimline Lever Latch Set – Polished Nickel

**Variant code: 45430**

The newbury set is part of the period range of sprung lever handles. The simple and slender design fits well into many different property types.

Our weighty newbury lever handle range is forged from solid bronze which emphasises the high quality materials and manufacturing techniques used. A perfect design choice to use throughout your property with many other matching products available.

This handle has a strong double spring incorporated into the stylish boss design to give both functionality & elegance.

- Lever handle for external doors where multi-point locking is required.
- Set includes an internal and external lever espag latch handle.
- Can be used with a french door kit in conjunction with the slimline lever espag lock set and euro cylinder.
- Supplied with matching SS bolt through fixings.
