

Night-Vent Locking Hinton Fastener – Polished Chrome

Variant code: 45345

The hinton handle is part of the period range of window furniture. A decorative Georgian design that will suit any setting.

Our weighty hinton window handle range is forged from solid brass which emphasises the high quality materials and manufacturing techniques used. A perfect design choice to use throughout your property with many other matching products available.

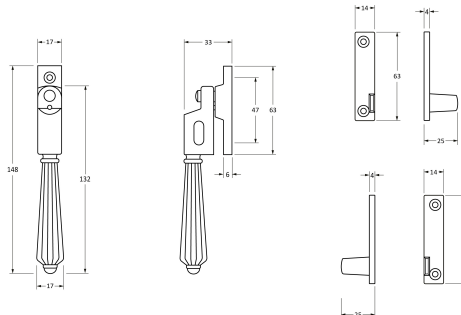

Designed to fit casement windows and match the hinton stays and door handles in the range.

The handle is night venting and can be locked in the open position as well as the closed position allowing some ventilation.

- Reversible design and includes two keep plates for both left and right handed windows.
- The fastener also has a locking mechanism by the way of a grub screw.
- Suitable for use with weather-stripped windows.
- Supplied with matching SS wood screws.
